PRO-PAR NEW BRAKE SHOES **ENGINEERED FOR SUPERIOR STRENGTH AND RELIABILITY.**

With over 30 years of engineering expertise, Pro-Par brake shoes combine advanced friction technology with best-in-class materials to deliver superior performance and unmatched reliability, backed by our No-Crack Guarantee.

- Superior Strength: 16 torsion welds with stitch welding guarantee that each shoe meets or exceeds the OEM specification
- Proven Durability: Sheer-testing up to 3,000 lbs. of force
- Eliminate Fade & Wear: Heat treated ends eliminates wear on cam and anchor points
- Withstand Harsh Conditions: Salt spray resistance up to 1,000 hours
- All products meet or exceed FMVSS121 testing criteria
- Premium and heavy-duty products meet or exceed RSD standards
