PRO-PAR PAINT

ENGINEERED FOR SUPERIOR STRENGTH & DURABILITY.

Pro-Par paint provides premium quality at an unbeatable price. Industrial-grade one coat coverage formula never runs and provides long-lasting durability in tough conditions.

- High solids formula has twice the coverage for a quicker, more even application
- Covers 4x more square feet than a traditional spray can
- Impact-resistant coating protects against abrasion, corrosive chemicals, oil, gas, heat, and UV exposure
- Sag-resistant aerosol
- Made in the USA.
