## **PRO-PAR 3-IN-1 ABS ELECTRICAL & AIR ASSEMBLIES ENGINEERED FOR SUPERIOR STRENGTH AND RELIABILITY.**

Pro-Par 3-in-1 ABS electrical & air assemblies are built with anodized metal handles, zinc die-cast 7-way plugs, and high-quality brass swivel fittings to endure the rigors of the road.

- Heavy duty spiral wrap with smoothed edges designed to minimize hose & cable wear
- Stainless steel clamp hanger included
- Individually bagged in high quality handle bags that look great and take less space in your showroom or storage area
- Also available in plastic handles
- Meets or exceeds all DOT requirements and SAE standards
